Strong problem solver

Attention to detail

Team Player

## WORK AND VOLUNTEERING EXPERIENCE

### HR Director

UNSW Software Development Society

2024 -

- Coordinated member recruitment cycles including, but not limited to, overseeing logistics of applications, interviews and onboarding of new members
- Organised UNSW Orientation Week activities consisting of managing budget and inventory, and ideating promotional campaigns to increase engagement, leading to a 300% increase in external membership
- Worked in a team of 12 to organise internal team activities for over 200 members

### Student Sport Events Coordinator

UNSW Arc Sport

2023

- Led a team of 10 employees to organise and execute sporting events on behalf of the University, leading to consistent turn-outs of over 1000 students
- Liaised with external sponsors to source resources, such as equipment and catering, to ensure successful events
- Managed budget and inventory to ensure appropriate distribution of funds and merchandise, guaranteeing that events were profitable

### Events Director

UNSW Computer Science & Engineering Society

2022

- Organised Orientation Camp in a team of 3 for over 300 attendees by liaising with campsite staff, overseeing activities, and conducting welfare checks for campees
- Communicated with external sponsors, such as Atlassian and Canva, to host weekly BBQS and networking events to promote their respective organisations, and connect alumni and current students
- Collaborated with 4 stakeholders to organise an inter-society cruise, garnering over 400 attendees and raising over \$3000 in profit
